CHAMPIONS FOR LIFE

GYMNASTICS DANCE CHEER TUMBLING

Dear Prospective Sponsor:

This letter is written with the purpose of providing funding and support to competitive gymnasts, tumblers and dancers at Academy West. Our teams participate in local and out of state competitions. We have many Champions on the State, Regional, and National levels.

Each team is comprised of young athletes who are self-motivated and determined to achieve their goals by practicing many hours each week. Physical and mental strengths invested in these activities help guide these athletes to become 'Champions for Life'. Funding is necessary for training, supplies, equipment, uniforms and competitions. This is where you come in.

Funding from you provides an excellent opportunity for these athletes, while giving your company exposure to the Academy West audience. Please consider using your advertising dollars to provide this exposure while supporting our young community athletes.

Thank you for your time and support; your donation is greatly appreciated!

Academy West, Inc.
